

# Welcome to Edwards and Ward

Your new food caterer

## Our Food Development Team

Our Food Development Team, David, & Nick, play an important role in E&W which consist of:

- Developing recipes and menus
- Training staff
- Supporting staff
- Hospitality

Most importantly, ensuring you are eating healthy food that you enjoy!

## Special Diets

Our Nutritionist Clare, works closely with the food development team ensuring all the recipes created are nourishing and according to regulation.

If you happen to have a special dietary requirement please scan the QR Code to register...

Food that makes you happy!

We want you to join us on this journey

Get involved in our Garden club

Join our fight against food waste

ZERO WASTE

Why don't you become a Taste Buddy?

Our taste buddies help with serving, setting, encouraging children to eat their food and also try new foods. They are food ambassadors!
