We know that demand will be high so if provision is booked up at a given venue, we would encourage you to check other local alternatives and / or leave your details on a waiting list as there are frequently cancellations.

The HAF programme is funded by the Department for Education so that local authorities can offer healthy food and enriching activities in the school holidays to children who receive income-based free school meals. A small number of places are also available on HAF schemes for other vulnerable families.

To find out more about the HAF Programme visit the [connect4communities website](#). For queries please email [connect4communities@hants.gov.uk](mailto:connect4communities@hants.gov.uk) in the first instance.
